Usability Evaluation - Questionnaire

Name: ....

Date: ....

Please fill in the first 2 questions before you start with the assignments and the last 5 questions after finishing the assignments.

Before

1. How much experience do you have with BW4T?

2. Are you familiar with the changes we made during our project?

After

1. Was everything clear? If not, what was unclear?

2. What part of the system did you like the most?

3. Was there something about the system you didnt like? If so, tell us what you didnt like and why.

4. If you could change something, what would you change?

5. Do you have any other comments/improvements for us?
